# "Brother Don't You Walk Away"

[Folk-H]  
Intro: C 2x Chords: C|x32013, G|320013, F|xx3213

[Folk-H] [Travis-H]  
C G  
Well I pass him by on the street each day

[Folk-H] [Travis-H]  
F C  
Brother, don't you walk away

C G  
He's about my size and about my age  
F C  
Brother, don't you walk away  
C G  
Down a different road, might've been my friend  
F C  
Brother, don't you walk away  
C G  
But you never know how the road will bend...

--- CHORUS [Folk-H] -----  
F C  
Brother, don't you walk, Brother, don't you walk away  
G F  
Brother, don't you walk away  
C  
Tell me why is it so hard to say  
G (F) C  
Brother, don't you walk away  
-----

[Travis-H...] Pfeifen [Travis-H...]  
Interlude: C, C, | C, G, F, G | 2x, C, C

[Folk-H] [Travis-H]  
C G  
When you sleep all night on a pillow of stone

[Folk-H] [Travis-H]  
F C  
Brother, don't you walk away

C G  
Do you dream of finding your way back home  
F C  
Brother, don't you walk away

C G  
Well some might say these are better days  
F C  
Brother, don't you walk away  
C G  
But a cardboard box is your home these days...

CHORUS

Interlude (easy chords for relaxing the fingers):

[strumming + Pfeifen ...]

C, G, F, C 2x

C [strumming ...] G  
Now the wind blows hard through the holes in your cap  
F C  
Brother, don't you walk away  
C G  
While I'm safe inside here in luxury's lap  
F C  
Brother, don't you walk away  
C G  
So you walk this land in your worn out shoes  
F C  
Brother, don't you walk away  
C G  
Well if this land's mine, is it your land too...

CHORUS [strumming + difficult chords]

[strumming + difficult chords ...]

**A)** C G  
So you look at me with a look so real  
F C  
Brother, don't you walk away  
C G  
As I turn away from the things I feel  
F C  
Brother, don't you walk away  
C G  
Even here and now as I lie awake  
F C  
Brother, don't you walk away  
C G  
Tell me how much difference can one man make...

CHORUS [strumming + difficult chords]

STROPHE **A)** WIEDERHOLEN (FINGERPICKING), 2x CHORUS (FINGERPICKING)
