

Golden Heart (Mark Knopfler)

G D G
She was swinging by the bangles in a main street store
G7/B C
A while before we met
G
The most dangerous angles that you ever saw
C D
She spied her amulet

G D G
And she took a loop of leather for around her neck
G7/B C
And that was then the start
G
The most dangerous lady on her quarterdeck, she
C D G C D G
Found her golden heart, found her golden heart

G D G
Then we swirled around each other and the thread was spun
G7/B C
to some Arcadian band
G
I would stop it from swinging like a pendulum
C D
Just to hold time in my hand

G D G
And you shot me with a cannonball of history
G7/B C
And long forgotten art
G
I'd be turning it over as our words ran free
C D G C D G G/B
I'd hold your Golden Heart, I'd hold your Golden Heart

----- CHORUS -----
C D Em C Em Am G/B
Nothing in the world prepared me for your heart, your heart
C D Em C
Nothing in the world that I love more, your heart
Em Am D/F# C D
Your heart, your golden heart
G G/B C G
Your golden heart, your golden heart
G/B C D
Your golden heart, your golden heart, golden heart
