## It Must Have Been Love (Roxette)

It must have been love, but it's over now

Lay a whisper on my pillow, leave a winter on the ground

I wake up lonely, there's air of silence

in the bedroom and all around

Touch me now, I close my eyes and dream away

--- CHORUS -----

It must have been love, but it's over now

Dm Αm It must have been good, but I lost it somehow

It must have been love but it's over now

from the moment we touched till the time had run out

Make believing, we're together, that I'm sheltered by hour heart

But in and outside I've turned to water

Dm like a teardrop in your palm
